

All Hallow's Eve

1. First, carve out the letters T and C, the number 3, and then the small sections between them.
2. Carve out the letter O, the number 1, and the remaining small sections between the pumpkins.
3. Now carve the center section of fence and between the cats legs.
4. Next, carve out the left section of fence and the left side of the cat.
5. Finally, carve the right section of fence and then the area to the right of the cat.
