

Happy Patch

Instructions

1. First, carve out the small areas in and around the middle letters.
2. Carve out the smaller sections between the remaining letters.
3. Now carve the little spaces between the pumpkins and each of the pumpkin faces.
4. Carve out the lower part of the headstone and shadows behind the pumpkins into several smaller pieces to make it easier to remove without breaking your main design.
5. Finally, carve out the small pieces of the headstone on top.
