

La Dia de los Muertos

La Dia de los Muertos

Instructions

1. First, carve out the nose, the dots around it, and the tiny hearts on either side.
2. Carve out each polka dot around the eye socket.
3. Carefully carve out the eye sockets and the inner strokes above and below each.
4. Now carve out the two hearts on the forehead, as well as all the teeth and their surrounding dots.
5. Finally, carve each cheek bone and the strokes along each eyebrow, starting towards the center and working your way out to each side.
