Party Pupper

Instructions

1. First, carve out the pup's little nose and then each eye.
2. Carve out his mouth and chin.
3. Now carve the outline of his front legs.
4. Carve out all the polka dots (and add some more if you like!).
5. Finally, carve out each of the larger background sections into several smaller pieces to make it easier to remove these areas without breaking your main design.
